Dear Member,

The Annual General Meeting has passed and with it an agreement of the amount of subscription payable for the year ending 31st October 2022.

Full Membership of Bath Beekeepers Association gives great value: membership of Avon Beekeepers Association; The British Beekeepers Association; Bee Diseases Insurance and Public and Product Liability Insurance. Additionally, your membership of BBKA helps find answers in an increasingly challenging beekeeping climate.

As usual, I must remind you that the amount you pay depends on the maximum number of hives, nuclei and swarms you are likely to have at any one time during the season. I recommend that you 'over insure' as, if you decide to add later, all your hives (and those of others if you occupy a shared apiary), will be uninsured for 40 days after the date at which the extended insurance is taken out.

Membership Classes:

Full Members £40 - those who keep bees and wish to participate fully in all aspects of Bath Beekeepers. Includes insurance for up to 3 colonies.

Partner Members £29 - those who reside within the same household as a Full Member. Partner Members enjoy all the rights of full membership but will not receive BBKA News or insurance (although this can be purchased separately if required).

Associate Members £14 - for those who are generally interested in beekeeping and wish to support Bath Beekeepers. Associate Members will not be registered as beekeepers with the BBKA and will not receive BBKA News.

Country Members £28.50 – for those who wish to belong to a branch but do not require BDI or BBKA public and product liability insurance. Country Members do not have any voting rights, but will receive copies of the BBKA News.
